

Welcome

to the World's No. 1 Trade Fair
for Plastics and Rubber

2022

**3,020 exhibitors
from 59 countries**

**2,180 exhibitors
from
Europe**

**650 exhibitors
from Asia**

**138 exhibitors
from the
Americas**

**44 exhibitors
from
Middle East**

177,486 visitors
From 167 countries

Visitors 2022

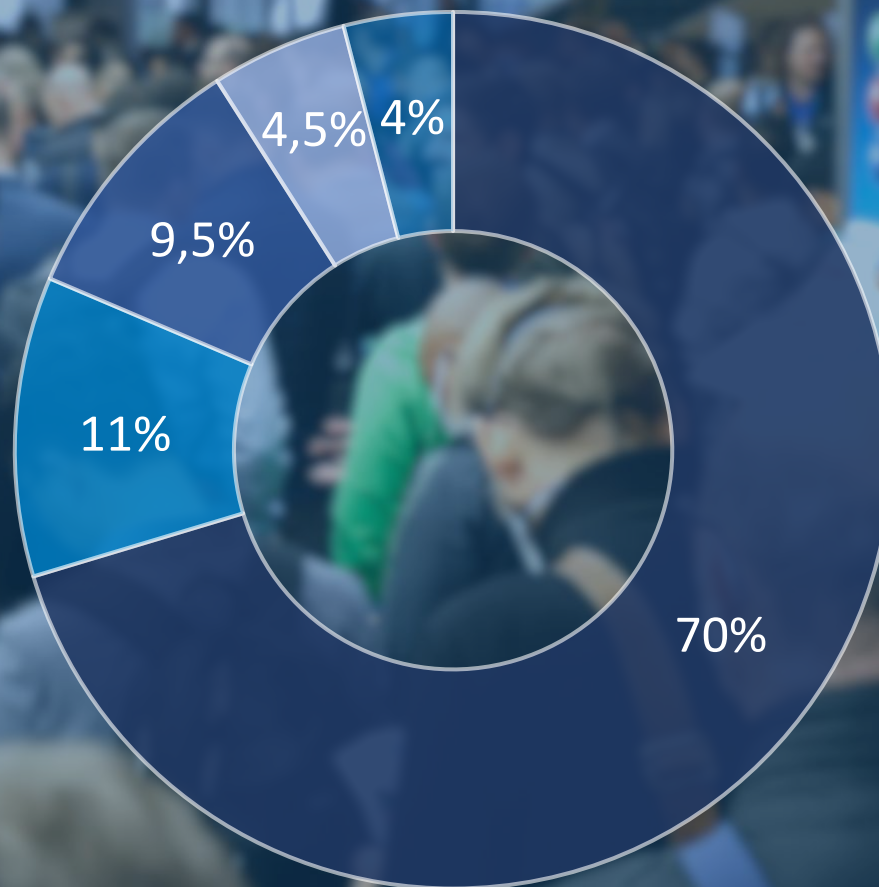

■ Europe

■ The Americas

■ Asia

■ Middle East

■ Africa

Visitor satisfaction

98 % are statisfied with K 2022

98 % Value the comprehensiveness of the offering

98 % Value the presence of Market Leaders

97 % Want to Attend K Again

94 % Archieved their goal for the trade fair

K 2025

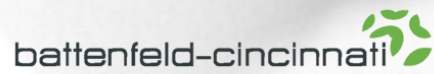

- Already fully booked since May 2024
- 178,000 m² of exhibition space
- Over 3,000 exhibitors from 61 nations
- Presentation of the entire value chain
- All key players on board

SELECTION OF REGISTERED EXHIBITORS

The K 2025 product categories

Machinery and Equipment

- Integrated and efficient manufacturing processes
- AI and digitalisation
- Production sustainability

Raw materials and auxiliaries

- Design for circularity
- Secondary raw materials and recycled feedstock bio-based polymers
- High-performance polymers

Semi-finished products, technical parts, reinforced plastics

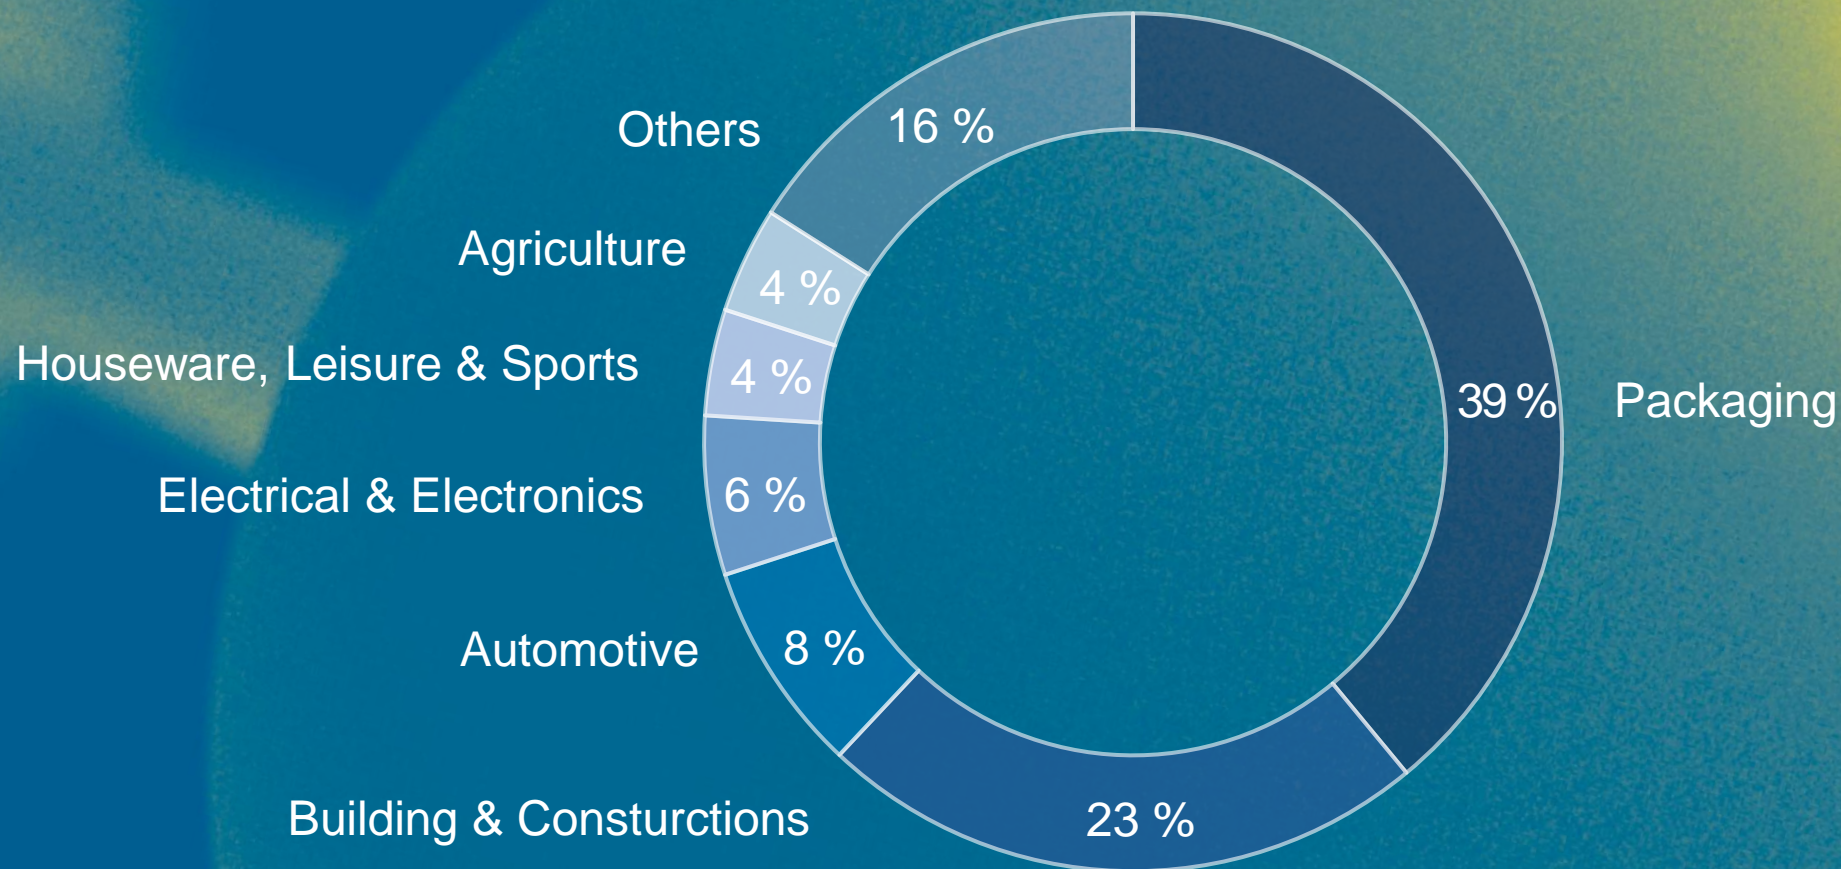

- Composites
- Lightweight construction
- Surface finishing

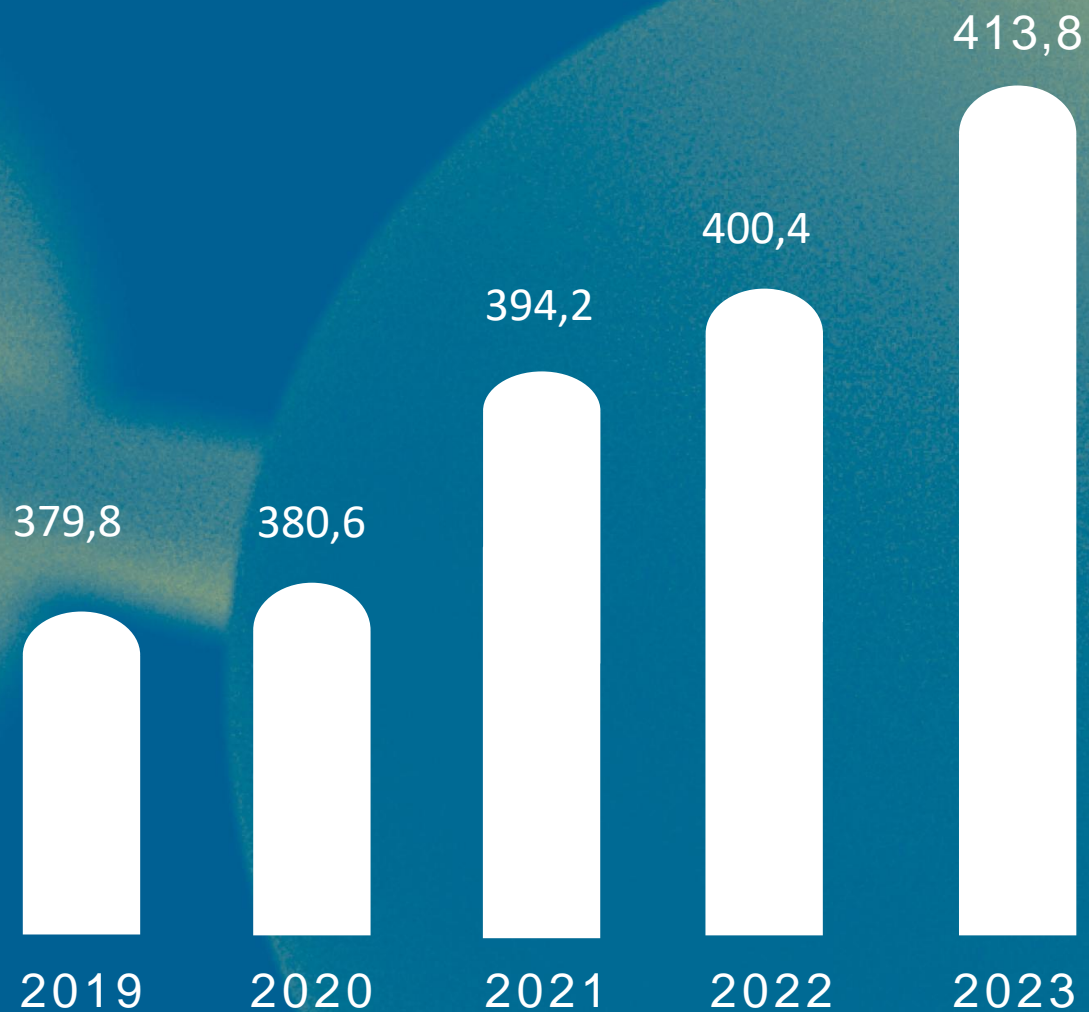

Facts about the plastics industry

European plastics applications

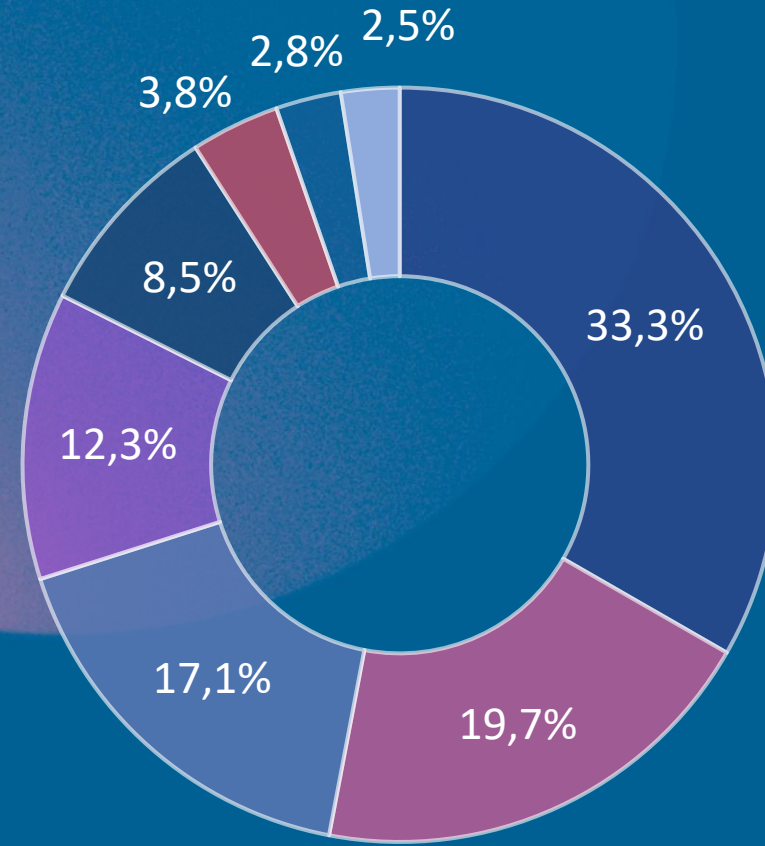

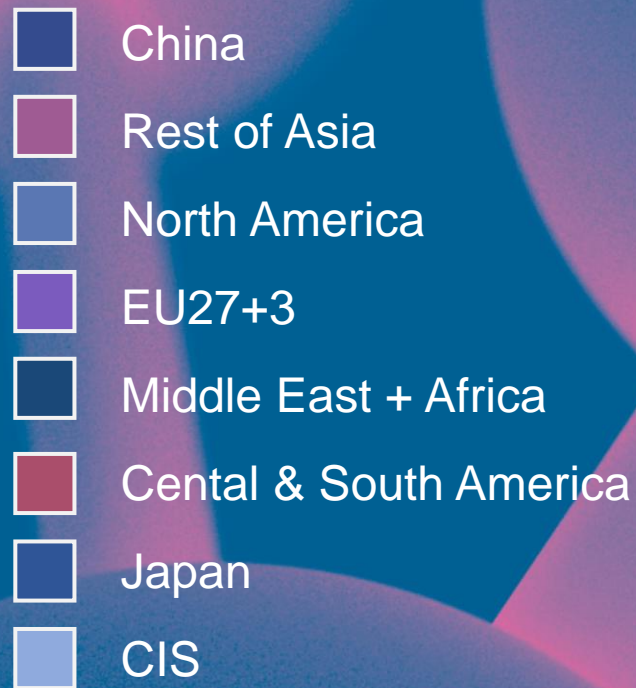

Plastics production worldwide*

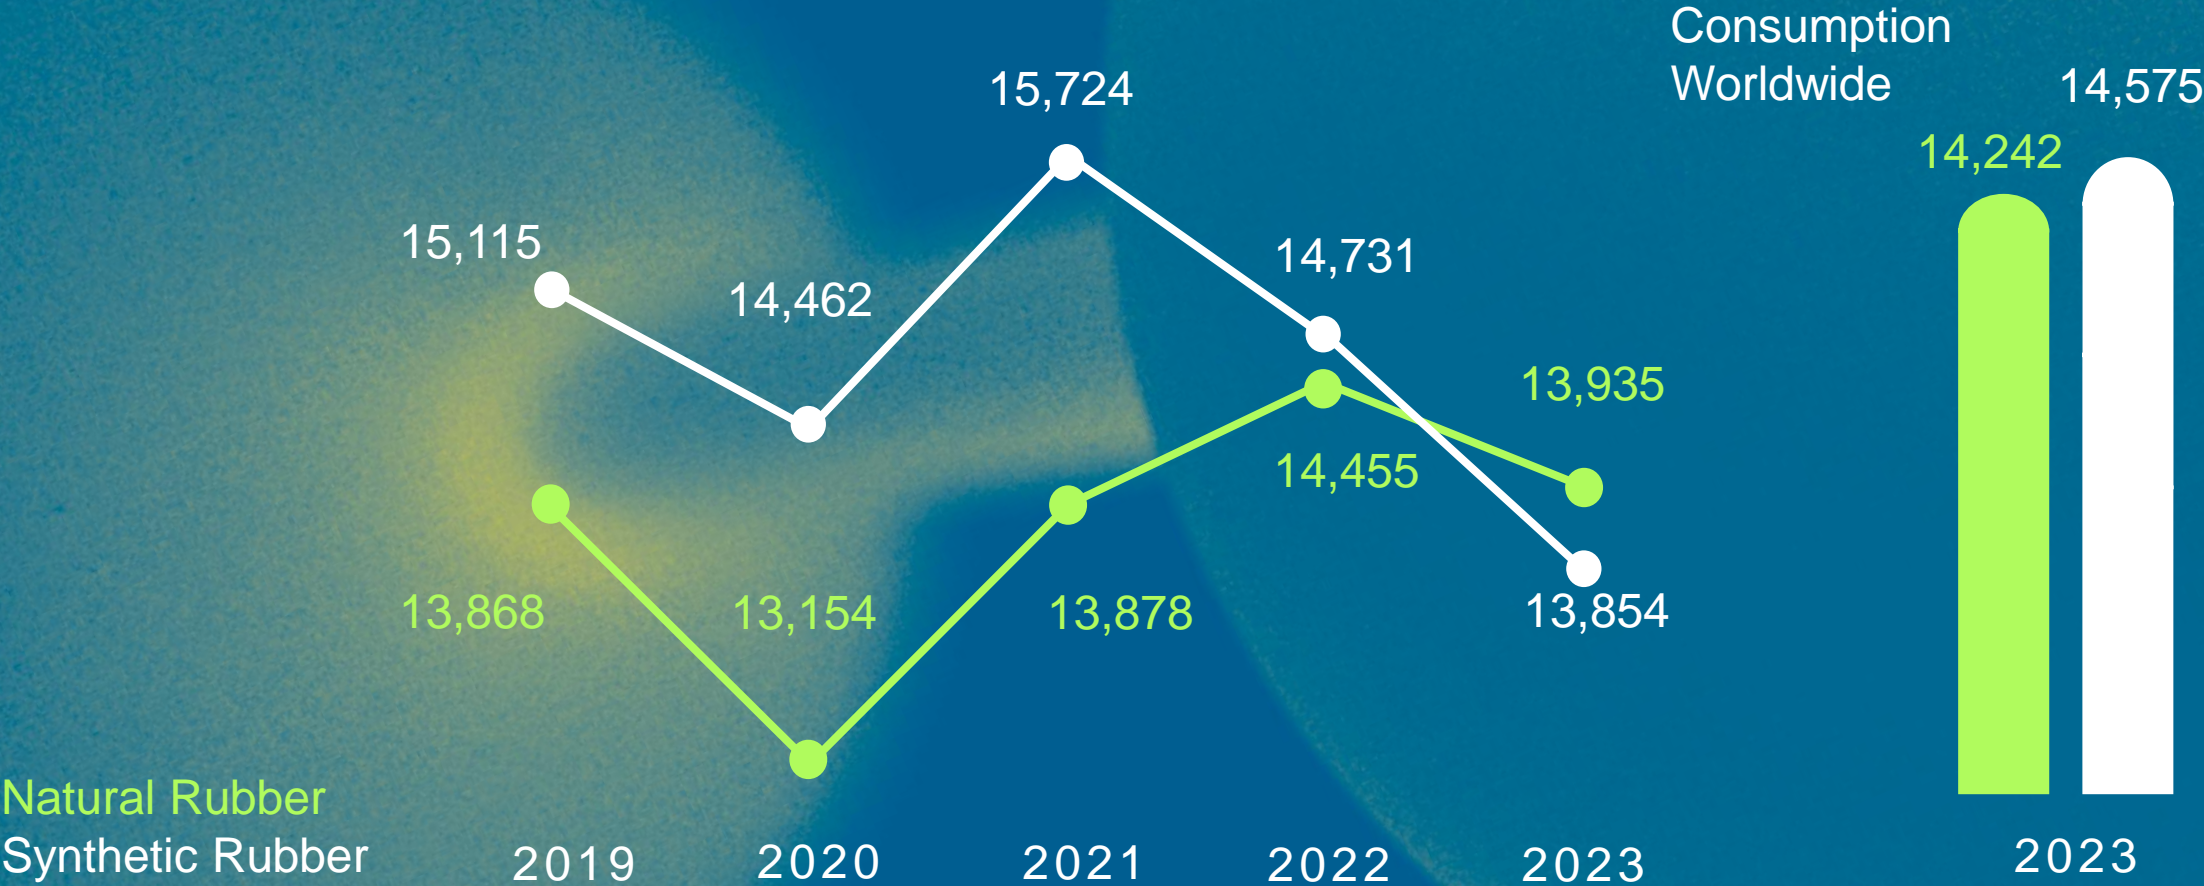

Leading countries and regions in the plastics industry

What's-up in plastics & rubber?

Why K 2025 is the ultimate industry hotspot

1. Pioneering Trends & Innovations
2. Global Industry Hub
3. Live Technology Showcases
4. High-Level Expert Forums
5. Essential Industry Guidance – As a fixed star in turbulent times

You'll love Düsseldorf
