SHAPE THE FUTURE OF CARE

Asia's Aging Population: A Growing Opportunity to Make a Difference

With Asia's population aging rapidly, the need for smart, compassionate care solutions is rising fast. This shift creates a unique opportunity for innovators to lead in eldercare and rehabilitation.

Showcase your products with a live demonstration at our **Community Care Experience Zone** and connect with healthcare professionals, caregivers, and decision-makers looking for ways to support healthier, more independent aging. Be part of the movement where innovation meets care.

We are looking for:

- Products that support recovery and elder well-being
- Interactive products that can be tried on at the exhibition

Showcase your products in:

- Dedicated exhibition space for product demonstrations
- Product video showcase in the experience zone
- Dedicated emails for the experience zone to visitors prior to the exhibition

Cost of Participation:

SGD \$4140
